Sir:

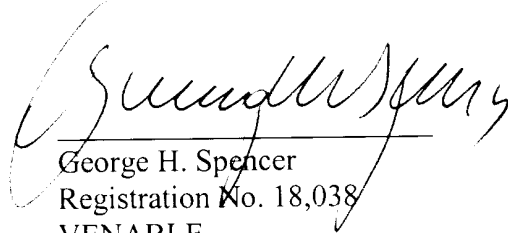

Submitted herewith are copies of the references cited in the previously submitted English-language search report (except that for EP 0532291 there is submitted a copy of its U.S. counterpart 5,335,057) and in the attached official action issued by the German Patent Office in connection with the German counterpart patent application, the rights of priority to which are claimed for the instant application. The relevance of the references is shown in the international search report and in the official action issued by the German Patent Office, a translation of the latter being likewise submitted.

The reference cited in the text of the instant application, namely, EP 0439803, is among the references cited in the international search report, and the instant application additionally discusses the relevance of this reference.

A Form PTO 1449 listing the cited references is attached, it being respectfully requested that a copy thereof be initialed and dated and returned to counsel.

This Information Disclosure Statement is being submitted with the time limits specified by the applicable rules so that no fee is required. Moreover, all requirements and guidelines pertaining to Information Disclosure Statements have been complied with. Accordingly, it is respectfully requested that the Examiner consider the references and make them of record.

Respectfully submitted,

George H. Spencer
